

North Bay Rugby Club
Player Code of Conduct

This code of conduct establishes the minimum standards of behavior for players of the North Bay Rugby Club. Each player must commit to abide by this code of conduct as a condition to joining the club.

1. Academic achievement is my primary concern. I will not compromise my academic life for rugby.
2. Practices are important for my safety, development of team strategy and tactics as well as building team spirit and camaraderie. I will do my best to attend all practices and team activities. I will notify my coach if I am unable to attend a team practice or match. I understand that absences which the coach considers to be unexcused may affect my playing time.
3. The club prohibits the use of alcohol or drugs. I understand that use of alcohol or drugs is grounds for me to be dropped from the team.
4. I will not participate in practices or games without a mouthpiece or proper rugby gear.
5. I will not fight on the field. If a fight appears to be starting, I will pull my teammate away and to a safe area.
6. I do my best to maintain a positive attitude and show good sportsmanship at all times. I will respect the referee and my opponents on and off the field. We will win with humility and lose with dignity.
7. When traveling with the club, I will respect the instructions of the parent chaperones and will honorably represent the club on and off the field.
8. I will serve the community when asked to do so by my team and I will encourage my parents to be involved with my team in some capacity.

I have read, understand and agree that this code of conduct is a condition to my joining the North Bay Rugby Club and I will abide by it.
