

South San Jose Softball is an ASA (Amateur Softball Association) Northern California affiliate. SSJSB is a non-profit organization that provides all girls in our community ages 5 to 16 with a highly organized and competitive athletic program. Being a league of volunteers, our only sources of funds are those that come from fundraisers, player fees and, most importantly, contributions from community sponsors like you.

Our league continues to grow and the upcoming 2017 season promises to be our best ever. As such, we are challenged to raise the money needed to fund the following initiatives:

- Covered dugouts at Sakamoto, Hayes and Vista Park Fields
- Replace rusted equipment boxes on all fields
- Break away fencing to designate outfield lines
- Porta Potty surrounds for safety and security for school students and the neighborhood
- Permanent trash and recycling receptacles on all fields for neighborhood beautification
- Upgrade snack shack windows at Sakamoto to prevent vandalism
- General league operating needs that include new playing equipment, uniforms, field maintenance, insurance, user fees, umpires and league operations.
- Purchase of a John Deere TX Gator to maintain playing fields at Hayes.
- Purchase of a John Deere TX Gator to maintain playing fields at Sakamoto
Accomplished!!!!

We need your help. By becoming an SSJSB team sponsor, your organization will receive:

- Display advertisement in the yearbook that is distributed to each family in our league.
- Recognition on your sponsored team's banner.
- Display ad on the league's website and Facebook page. 5,000+ page views per month at peak season.

Our participants and their families recognize your company's involvement in the community and are encouraged to patronize your business as a way of saying "thank you."

Thanks for considering a donation and helping us to make the 2017 season our most successful year yet!

Sincerely,

Dave McNay
