

Trail Minor Baseball

Summer Ball - Skill Development

What

Trail Minor Baseball would like to continue promoting skill development of young baseball players beyond our 'short' spring season. Some of our Minor Division coaches are eager to make this happen, and willing to run extra field times at Andy Bilesky Park. The general format for each field time will be an hour of practice and an hour playing scrub (game situations). If there is interest in setting up exhibition games during the summer, that will be considered.

Who

These extra field times are being created for 8, 9, and 10 year old players who played Little League this year (open to all players from the West Kootenay regional Minor Division, and any keen 8 year old 'Rookie' division players).

When

The goal is to continue field times once per week on Mondays or Thursdays, from 5:30-7:30pm.

- Thursday June 29
- Thursday July 6
- Monday July 10
- Monday July 17
- Monday July 24
- Monday July 31

More sessions could be added if the group wants to keep going.

Cost

Registration fee will be \$20, to cover the cost of wear and tear on TMB equipment.

More Information

Contact Brent Iachetta, cell: 250-231-1927. More information will be given and registration fees collected at the first field time next Thursday.
