

MadDog Wrestling Academy

SPONSOR FORM

MadDog Wrestling Academy is a self-supporting, non-profit organization run by volunteer coaches and parents. Our program is open to all athletes, of all levels and abilities. Our mission is to teach, develop, condition, and train Champions for Life. We want every wrestler's experience in the organization to be a positive one that they will take with them the rest of their lives. Each athlete will experience many character-building qualities like physical fitness, teamwork, discipline, success, failure, sportsmanship, and commitment in their quest to become champions. They will appreciate the sense of accomplishment that they achieve personally and as part of a team. Above all, our goal is to make sure that each child is having fun within a safe and positive atmosphere while developing character and dignity through the oldest sport known to man.
