

CYL Spring 2018 GIRLS Select Tryout Details:

We're pleased to announce the plans for the 2018 Cambridge Youth Lacrosse GIRLS Select season. The CYL Select program is for players with the skill, desire and commitment to play lacrosse at a higher level. Anyone interested in playing Select must read and agree to the expectations outlined in our CYL Select document online [here](#).

We will field two teams – one Junior Select and one Senior Select team. The teams are open to middle school (6-8th grade) players who live in the Cambridge High School district.

Please ensure your child attends their specific grade for tryouts.

You must "REGISTER" your player to try out for Spring Select. Registration for Girls Spring Select Tryouts will be open from October 28th through November 4th (Select Tryouts Only). The cost is \$25, which provides your player with a numbered pinnie to be used in the evaluations.

Once the site is available, you must register at www.cambridgeyouthlacrosse.com. Walk up registrations the day of the tryouts are not guaranteed and will be taken only if space is available. Walk-ups will incur an additional fee of \$25. **Please register in advance to secure your spot at tryouts!**

Wednesday, November 8th at Bell Memorial Park, Field 1
